

Schools Health and Safety

Prepare yourself for future employment,
with a comprehensive understanding of the
Health and Safety at Work Act 2015 and
the practical skills to apply these
principles in the workplace

Schools Health and Safety

Prepare yourself for future employment, with a comprehensive understanding of the Health and Safety at Work Act 2015 and the practical skills to apply these principles in the workplace.

This course will show you how to apply safe work practices at school and in the workplace. You will also carry out a practical assessment of the hazards at your school and report these back to senior management.

Key Learning Outcomes:

- ✓ Learn and demonstrate safe work practices
- ✓ Know how identify hazards and conduct a workplace risk assessment
- ✓ Effectively communicate the outcomes from your assessment to senior management
- ✓ Identify and describe legislative rights and responsibilities for workplace health and safety
- ✓ Identify the principles of workplace safety in a given workplace or school
