# Mobile Elevated Work Platforms Refresher

Refresh your understanding of the legal obligations, pre-check requirements and skills needed to safely operate a Mobile Elevated Work Platform

# Mobile Elevated Work Platforms Refresher

Refresh your understanding of the legal obligations, pre-check requirements and skills needed to safely operate a Mobile Elevated Work Platform.

This refresher course ensures you stay current with the relevant guidelines, regulations and Codes of Practice to safely assess and operate a MEWP. It also includes a series of practical exercises to reinforce your knowledge of hazards, risk management and operational skills.

## Machine Options:

Only two machine combinations and the theory unit standard 23966 can be refreshed in half a day. You will need to specify which combination you require on booking. The machine options are as follows:

- Scissor Lift
- Self-Propelled Boom
- Truck Mounted Boom
- Trailer Mounted
- Vertical Lift

## Key Learning Outcomes:

- ✓ Demonstrate knowledge of types of MEWP's
- ✓ Their suitability for purpose
- ✓ Safety features
- ✓ Legislative requirements in relation to code of practice and the use of MEWP's
- ✓ Assess the worksite and prepare to use the relevant MEWP
- ✓ How to identify and report faults and damage for the MEWP
- ✓ How to shut down the MEWP
- ✓ Practical reinforcement of the knowledge and skills obtained during the training

*If you did not complete your original training with Safety 'n Action then we may require evidence of competency*
