

# Mobile Crane Refresher

Refresh your skills on the configuration and positioning of a mobile crane

# Mobile Crane Refresher

## Refresh your skills on the configuration and positioning of a mobile crane.

This refresher course will reinforce your working knowledge of crane operations. Included are a series of practical exercises to reinforce your understanding of crane operator responsibilities and ensure you are up to date with the skills needed for carrying out required duties. This course also covers relevant crane regulations.

## Key Learning Outcomes:

- ✓ Demonstrate knowledge of using a mobile crane including hazards associated with loading the crane
- ✓ Configure and position a mobile crane
- ✓ Lift and place regular and irregular loads with a mobile crane
- ✓ Prepare mobile crane for travel mode
- ✓ Carry out daily and weekly crane checks with maintenance.
