Mobile Elevated Work Platforms Refresher

Scissor Lift and Self Propelled Boom

Refresh your understanding of the legal obligations, pre-check requirements and skills needed to safely operate a Scissor Lift and Self Propelled Boom

Mobile Elevated Work Platforms Refresher

Scissor Lift and Self Propelled Boom

Refresh your understanding of the legal obligations, pre-check requirements and skills needed to safely operate a Scissor Lift and Self Propelled Boom.

This refresher course ensures you stay current with the relevant guidelines, regulations and Codes of Practice to safely assess and operate a MEWP. It also includes a series of practical exercises to reinforce your knowledge of hazards, risk management and operational skills.

If you did not complete your original training with Safety 'n Action then we may require evidence of competency.

Key Learning Outcomes:

- ✓ Demonstrate knowledge of types of MEWP's
- ✓ Their suitability for purpose
- ✓ Safety features
- ✓ Legislative requirements in relation to code of practice and the use of MEWP's
- ✓ Assess the worksite and prepare to use the relevant MEWP
- ✓ How to identify and report faults and damage for the MEWP
- ✓ How to shut down the MEWP
- ✓ Practical reinforcement of the knowledge and skills obtained during the training
