ACTION**

# Height Safety Refresher Webinar

Refresh your understanding of the legal requirements and management of proprietary height safety systems and procedures

# Height Safety Refresher Webinar

**Refresh your understanding of the legal requirements and management of proprietary height safety systems and procedures. All while accessing the training remotely via webinar.**

This refresher course will guide you through the selection and inspection of various fall arrest systems and relevant ropes and knots.

This webinar is completely theory based and refreshes your previous height safety practical training.

*\*If you did not complete your original training with Safety 'n Action we may require evidence of competency*

## HEIGHT SAFETY REFRESHER

<b>Refreshed unit standard listed</b> <i>(*If currently held)</i>	<b>17600</b>	Safe work practices for working at heights
	<b>23229</b>	Use a safety harness for personal fall prevention
	<b>25045</b>	Employ height safety equipment in the workplace
	<b>15757</b>	Use, install and disestablish proprietary fall arrest systems
<b>Course Duration</b>	6 Hours	
<b>Availability</b>	<input checked="" type="checkbox"/> Online via webinar
