

TRAIN ONLINE OR IN PERSON

Permit Receiver

Gain a comprehensive understanding of Permit Receiver procedures to ensure you have the controls in place to safely and effectively complete the task

TRAIN ONLINE OR IN PERSON

Permit Receiver

Gain a comprehensive understanding of Permit Receiver procedures to ensure you have the controls in place to safely and effectively complete the task.

This course will ensure you understand the essential roles involved in the Permit to Work system, the mechanics of implementing the system and how to monitor its effectiveness in your role as a Permit Receiver. Practical application of permits, including worksite inspection, isolation requirements and permit auditing procedures, will reinforce learning and ensure you are confident in applying for or accepting a work permit.

Key Learning Outcomes:

- ✓ Understand and explain the types of work permits
- ✓ Understand the roles of those involved in the work permit system
- ✓ Gain clarity on the requirements for receiving a work permit
- ✓ Explain the preparatory requirements when applying for a work permit
- ✓ Understand how to accept a work permit and undertake work under the permit
- ✓ Describe and carry out the controls and actions to be taken at the end of a work period or upon the completion of work
