## October Step Challenge Prizes!

Awesome results from the October Step Challenge.. and despite some blisters (Cass!!!!) We heard some awesome stories and feedback along the way!

“I never use to be a morning person.. my routine has now changed”

“I feel the best I have done in ages”

“Best thing I could have done during lockdown!”

Check out the NUMBERS... from the Safety 'n Action October step challenge..

**23** – the number of Safety 'n Action team members who participated

**1156** – the number of kilometers you would travel if you drove between our North Island training centres... Whangarei... to Wellington

**871** – the number of kilometers you would travel if you drove between our South Island training centres...Nelson... to Invercargil

**4,511,963** – the number of steps the Safety 'n Action team did in total ... WOW 4.5MILLION!

**3,438** – the number of kilometers these steps equal..

**492,209 steps...** [375 kilometers] the distance that our winner and top stepper - Hayley from Christchurch did

**478,191 steps...** [364 kilometers] the distance that our 2nd place stepper - Tracey from Auckland did

**452,692 steps..** [344 kilometers] the distance that William Lightfoot did [from Northland] ... so close between Tracey and William!

We know there are many who would like to do another step challenge and there are some more team members who would like to jump on board too... therefore watch this space for the next step challenge... Details to follow and we will get it underway soon...
