# Competency Assessment Half Day

Ensure your staff remain competent after completing their course. Competency assessments confirm that, post course, students are applying what they learnt to the workplace.

# Competency Assessment Half Day

**Ensure your staff remain competent after completing their course. Competency assessments confirm that, post course, students are applying what they learnt to the workplace.**

Competency field assessments are designed to facilitate ongoing assessment of trained individuals in their workplace environment. Completing these competency assessments ensures that correct procedures are being used in the workplace.

*Candidates should already hold competency in the relevant NZQA unit standard*

## Key Outcomes:

- ✓ Confidence in the ongoing ability of your team members to adhere to health and safety requirements
- ✓ A report issued outlining assessment findings and recommendations
- ✓ Guidance on future training requirements
