At your own site or workplace

Overview

This course equips adult educators and trainers with the skills to plan and deliver effective learning sessions. You'll learn how to set clear learning outcomes, select and structure content, consider learner needs and stakeholders, and apply proven frameworks such as SMART objectives and Bloom's Taxonomy to support engaging, well-planned adult learning experiences

Course Content

- ✓ Identify learning outcomes for adult learning sessions
- ✓ Select learning session content
- ✓ Plan facilitation processes of adult learning sessions

Unit Standard

UNIT 7093 Plan for facilitation of learning sessions for adults
