

Online PCBU Health & Safety Awareness

Learn about the HSWA 2015 but also understand its intricacies and implications.

Online PCBU Health & Safety Awareness

Everyone has a role in workplace safety. Our Online PCBU Health and Safety Awareness course ensures that everyone in your organisation understands their responsibilities under the Health and Safety at Work Act. Promote a culture of safety and compliance.

This interactive eLearning online training will provide you with clarity and an in-depth understanding of the duties and responsibilities of the Board and Management teams in relation to the Health and Safety at Work Act [HSWA] 2015.

The goal of the training is to provide clear and comprehensive knowledge about the subject matter, which is the HSWA 2015. This implies that participants will not only learn about the HSWA 2015 but also understand its intricacies and implications thoroughly.

Key Learning Outcomes:

- ✓ Health & Safety in the Workplace
