

Assessor Training

**SAFETYTM
ACTION**

**AXIOM
TRAINING**

Learn to assess your people and grow their capabilities

Capacity

10 attendees

Duration

8 Hours

Locations

At our local training centre
At your own site or workplace

Overview

We are passionate about Assessor training and developing good Assessor practice within the organisations we work with. Our Assessor training workshops are completed as a one day workshop followed by assessment completion.

Prerequisites

There are no prerequisites required for this course.

Course Content

Within our workshops we make the learning as practical as possible. This makes the trainees' experience much more efficient, relevant and participative.

While the study guide we provide is comprehensive in these areas, workshops may only pick out the key points of some topics including:

- ✓ The New Zealand Qualifications Framework
- ✓ Administrative processes
- ✓ Standard setting bodies
- ✓ Understanding qualifications and unit standards
- ✓ Types of assessment
- ✓ Assessment methods
- ✓ The significance of pre-moderation
- ✓ The assessment processorganisational requirements
- ✓ ITO / organisational requirements
- ✓ The 12 best practice assessment principles
- ✓ Using assessment guides
- ✓ Evidence and judgment schedules
- ✓ Making and recording assessment decisions
- ✓ Dealing with tricky situations
- ✓ Providing feedback
- ✓ Administrative processes

Unit Standards

4098 Use standards to assess candidate performance
