

Verification of Competency – Reach Truck

VOC assessments are delivered one-on-one with a trainer, allowing operators to be assessed individually without taking entire teams off-site.

At our local training centre
At your own site or workplace

Overview

VOC field assessments are designed to facilitate the ongoing assessment of trained individuals in their workplace environment. Completing these competency assessments ensures that correct procedures are being used in the workplace.

Course Content

- ✓ Conducting thorough inspections and identifying risks associated with height, narrow aisles, and pedestrian interaction.
- ✓ Demonstrating safe and controlled operation of a reach truck, including stacking at height and correct parking procedures.
