ACTION**

**AXIOM
TRAINING**

This course is a combination of Online and Face to Face Training.

Complete your theory component online in your own time (60 days provided), followed by an 8 Hour practical component.

Capacity

15 attendees

Blended Learning

Online Theory + 8 Hour Practical

Locations

At your own site or workplace

Overview

This nationally recognised First Aid course will teach you the skill and knowledge to recognise emergencies, and comfortably be a first responder to provide a range of first aid treatment and basic life support in line with the New Zealand Resuscitation Council guidelines.

Prerequisites

Students need to have 3 months of work experience in the industry prior to doing the course. Students must be able to kneel on the floor to perform CPR functions and will require use of both hands/arms. If you have students with physical limitations, please contact us to discuss.

Course Content

- ✔ Provide basic life support and first aid.
- ✔ Understand the dangers of and secure an emergency scene.
- ✔ Assess the condition of and assist a collapsed or injured person(s).
- ✔ Control foreign body airway obstructions
- ✔ Apply basic first aid to a range of traumas and/or medical conditions.
- ✔ Manage first aid in an emergency.

Unit Standards

- UNIT 6402** Provide Basic Life Support
- UNIT 6401** Provide First Aid
- UNIT 6400** Manage First Aid in an emergency situation.
