

# First Aid Level 2 – Advanced (Blended Learning)

**SAFETY<sup>N</sup>  
ACTION**

**AXIOM  
TRAINING**

This course combines online or paper-based theory (completed within 60 days) with an 8 hour, in-person practical session.

## **Capacity**

15 attendees

## **Blended Learning**

Online or Paper Based Theory + 8 Hour Practical

## **Locations**

At your own site or workplace

## **Overview**

This nationally recognised First Aid course will teach you the skill and knowledge to recognise emergencies, and comfortably be a first responder to provide a range of first aid treatment and basic life support in line with the New Zealand Resuscitation Council guidelines.

## **Prerequisites**

Students need to have 3 months of work experience in the industry prior to doing the course. Students must be able to kneel on the floor to perform CPR functions and will require use of both hands/arms. If you have students with physical limitations, please contact us to discuss.

## **Course Content**

- ✔ Provide basic life support and first aid.
- ✔ Understand the dangers of and secure an emergency scene.
- ✔ Assess the condition of and assist a collapsed or injured person(s).
- ✔ Control foreign body airway obstructions
- ✔ Apply basic first aid to a range of traumas and/or medical conditions.
- ✔ Manage first aid in an emergency.

## **Unit Standards**

- UNIT 6402** Provide Basic Life Support
- UNIT 6401** Provide First Aid
- UNIT 6400** Manage First Aid in an emergency situation.
