Security (COA) Certificate of Approval

This course is a combination of Online and Face to Face Training.

Complete your theory component online in your own time (60 days provided), followed by an 8 Hour practical component.

SAFETY'N ACTION AXIOM TRAINING

Overview

Looking for security training? Our Certificate of Approval (COA) training course is specifically tailored to offer a comprehensive understanding of the New Zealand Security industry, COA process, and professional standards expected of security personnel. This in-depth training encompasses three NZQA unit standards: US 27364, US 27360, and US 27361, providing a solid foundation in essential knowledge and skills.

Prerequisites

Students must complete theory content online before booking 1 day face-to-face practical.

Course Content

Demonstrate knowledge of the security industry in the pre-employment context.
Explain the concepts of multiple causation and root-cause analysis
Manage conflict situations in a security context.
Produce an incident investigation report based on a documented incident

Unit Standards

27364 Demonstrate knowledge of the security industry in the pre-employment context
27360 Describe conflict management in a security context
27361 Manage conflict situations in a security context.
