Overview

This nationally recognised First Aid course will complete your refresher with the skill and knowledge to recognise emergencies, and comfortably be a first responder to provide a range of first aid treatment and basic life support in line with the New Zealand Resuscitation Council guidelines.

Prerequisites

Students must be able to kneel on the floor to perform CPR functions and will require use of both hands/arms. If you have students with physical limitations, please contact us to discuss.

Course Content

- Provide basic life support and first aid.
- Understand the dangers of and secure an emergency scene.
- Assess the condition of and assist a collapsed or injured person(s).
- Control foreign body airway obstructions
- Apply basic first aid to a range of medical conditions
- Manage first aid in an emergency.
