## Overview

Our Online Assessor Training provides learners with the knowledge and practical skills required to assess candidate performance against standards in a workplace context, without attending a face-to-face workshop.

Designed for trainers, supervisors, and workplace assessors, the online format allows learners to complete their training and assessments remotely, making it ideal for those balancing work commitments or requiring a flexible learning option. All learning materials and assessments are completed online, while still meeting NZQA and industry best practice for workplace assessment.

## Course Content

- ✓ NZQA and organisational assessment requirements
- ✓ The New Zealand Qualifications Framework (NZQF)
- ✓ Understanding qualifications, unit standards, and standard setting bodies
- ✓ The 12 best practice assessment principles
