## Overview

This practical course will enable you to apply for an 'F' Endorsement to value add to your driver's license and provide you with the necessary skills, knowledge, and ability to safely drive a forklift on NZ roads.

## Prerequisites

Students need to have 3 months of work experience in the industry prior to doing the course. Persons seeking credit for US 18496 to obtain an F driver licence endorsement must first hold a current full class driver's licence other than Class 6 (motorcycle).

## Course Content

- ✓ Demonstrate knowledge of the safe operation of a forklift
- ✓ Conduct pre-operational inspection and start-up procedures for a forklift
- ✓ Demonstrate safe driving skills on the road and consider various environmental factors
- ✓ Park and shut down the forklift, ensuring safety and security
- ✓ Describe the legal requirements for driving a forklift on the road
- ✓ Understand the requirements for obtaining an F endorsement for NZ drivers license

## Unit Standards

**UNIT 10851** Operate a powered industrial lift truck (forklift)

**UNIT 18496** Drivers License Endorsements

Demonstrate knowledge and skills for the driving of a forklift on a road for endorsement F (forklifts)
