AXIOM
TRAINING

Capacity

15 attendees

Duration

6 Hours

Locations

At our local training centre
At your own site or workplace

Overview

This seminar will help you to identify relevant legislation that may affect the Marae, including the difference between a volunteer worker, a volunteer association and the responsibilities and duties of a PCBU (Person or Company Business Undertaking). Practical activities will provide you with the ability to identify and manage risks, as well as the confidence to deal with a fire or emergency situation.

Prerequisites

Hazard and Risk Management is recommended

Course Content

- ✓ Identify relevant legislation and supporting documentation
- ✓ Understand where to access useful sources of information
- ✓ Understand the duties of people and organisations that are associated with the Marae (PCBUs, volunteer associations, officers, volunteers, workers etc.)
- ✓ Explain the requirements for Risk Management on a Marae
- ✓ Understand how WorkSafe New Zealand can help the Marae
- ✓ Identify classes of fire and associated fire suppression methods and techniques
