TRAINING**

## **Capacity**

12 Attendees

## **Duration**

2 Days (16 Hours)

## **Locations**

At our local training centre  
At your own site or workplace

## **Overview**

Become a confident Health and Safety Representative by learning the essentials of the Health and Safety at Work Act 2015, how WorkSafe operates, and the key duties and rights of everyone in the workplace. This course builds practical understanding of the HSR role—enabling participants to support safer work practices, raise issues effectively, and strengthen worker participation.

## **Course Content**

- ✓ Describe the purpose of the HSWA 2015, and key duties and roles including worker participation.
- ✓ Explain the role and functions of the Health and Safety Representative under HSWA 2015.

## **Unit Standards**

- Unit 30264** Describe duties, rights, representation and the regulator in terms of New Zealand health and safety legislation
- Unit 29315** Describe the role and functions of the Health and Safety Representative in a New Zealand workplace
